Mr John N. McMahon
Deputy Director of Central Intelligence
Central Intelligence Agency

Dear John

Please tell [redacted] of your Intelligence Directorate's Instability and Insurgency Center that he did a great job briefing my staff and me on 6 June. We appreciate it.

STAT

In addition to covering the quarterly publication, Indications of Political Instability in Key Countries, he provided excellent commentaries on the current hot spots of the world. I've since read the April 1984 edition, and it is excellent.

STAT

[redacted] and the rest of your staff have open invitations to Scott. You have a ready audience here at MAC for Third World, terrorism, and insurgency problems.

Best regards

THOMAS M. RYAN, JR.
General, USAF
